SUMMARY

My name is Umar, and I am currently assisting others in achieving their goals. I have been working as a freelancer since 2020 and continue to do so.

I used to work as a freelancer, but now I have transitioned into working with a company. This change has allowed me to expand my skills and work collaboratively with others towards a common goal.

EDUCATION

11/2015 - 10/2018

Software Engineer
